NEW SPA OPEN HOUSE ATTENDEES DONATE TO NATIONAL ALLIANCE ON MENTAL ILLNESS

Assuage Luxury Spa in Fort Myers hosted a customer appreciation open house Sept. 14 and gave away more than $2,000 in raffle prizes to those in attendance. The event included speakers, beauty consultations, product demonstrations, chair massages, tours, food and drinks. Attendees also donated $330 to the National Alliance on Mental Illness of Lee, Charlotte and Hendry counties.

Tehjan Prendiville, who owns Assuage Luxury Spa with her daughter, Andrea Martin, is a member of the NAMI board of directors. “One in four adults has a mental illness in a given year and 60 percent of those will receive no treatment at all,” Prendiville said. “Our goal at NAMI is to help as many of these individuals as we can. We are very thankful to our many Assuage Luxury Spa customers for helping us help others in our community who desperately need treatment.”

Tehjan Prendiville, a registered nurse with more than 26 years experience in the mental health field, created Assuage Luxury Spa in 2013. The spa at 9507 Cypress Lake Drive offers exotic relaxation treatments from around the globe, as well as contemporary equipment and state-of-the-art technology.
